(b) what is the managerial or technical problem to make available the list of passengers on incoming flights;

(c) whether all the major airports have fax, telex and STD phone facilities as an aid to Airport management; and

(d) what steps are being taken to improve such passenger information service?

THE MINISTER OF CIVIL AVIATION AND TOURISM (SHRI MADHAV RAO SCINDIA): (a) Flight information in arrival hall is provided through display boards, customer services counter, announcements over public address system, and CCTV.

(b) Passenger lists are not made public as this information is considered to be of a confidential nature.

(c) and (d) All major airports have STD phone facilities. While fax and telex services are already available at the five International airports, such facilities are planned to be provided at 10 other major airports. Flight information of Indian Airlines is also made available in teletext over Doordarshan in Delhi and by auto answering machines on three digits in Delhi and Bombay. The flight information facilities are being constantly upgraded.

Oil Production at Bombay High

85. SHRI MENTAY PADMANABHAM: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that production of oil from Bombay High is progressively declining;

(b) if so, what are the reasons therefor;

(c) whether any enquiry has been conducted to place responsibility for such a technical failure by ONGC; and

(d) if not, what steps are being taken to enquire into management failure at Bombay High?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI B. SHANKARANAND): (a) and (b) Production of oil from the Western Offshore including Bombay High has declined in 1990-91 as compared to 1989-90. The shortfall in 1990-91 as against the target is due to leakages from certain subsea pipelines reservoir considerations (pressure decline, increase in GOR & water cut), officers' strike, and delays in implementation of certain schemes.

(c) and (d) The Government had appointed a Committee of Experts headed by Shri A. B. Dasgupta, former Chairman of OIL to go into the issue of the management of the Bombay High field. This Committee has submitted its report.

Sector-wise Investment by ONGC

86. SHRI MENTAY PADMANABHAM: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) what is the sector-wise investment in oil exploration by ONGC in different parts of the country during the last five years, year-wise;

(b) what are the details of oil finds, sector-wise giving present production corresponding to investment in the different sector;

(c) what is the process of decision making by ONGC with regard to selecting new areas for oil exploration; and

(d) whether the present system will be reviewed in view of the lack of any significant success?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI B. SHANKARANAND): (a) and (b) Region-wise investment in oil exploration by ONGC in different parts of
